Actor Bio:

J. Emerson McGowan was born in New Jersey on Holy Innocents Day. During his formative years, his interests tended toward knowing more about the physical environment in which he lived and spent a great deal of time sifting through and learning from the "debris" that Nature washed upon the shores. He holds a BA and an MS Degree; both related to the Craft of Acting.

He was recently awarded a Proclamation for his continuing Artistic Achievements, by the City of Union City, NJ and the NJ State 33rd Legislative District. He is truly an emerged artist.
